This filing represents the financial results of a specific project. It does not represent the entire fundraising experience of Children's Wish Foundation (CWF). This form does not allow for the reporting of value for other services that may be received under the terms of an agreement with the service bureau. Therefore, this filing is different from and in contrast to the far more complete filing by CWF as represented in its Form 990.

Anyone intending to interpret the fundraising costs of CWF should review its Form 990. To report fundraising costs based upon net proceeds represented by this report would be a distortion of the experience of CWF and inaccurate.

(1) Approximate \$ Uncollected Pledges are the dollars still not collected from pledges made in the time outlined for the accounting report. Pledges will continue to be paid during the next reporting period.
